

	Name of project	Beneficiary	Year
<i><u>Republic of Moldova</u></i>			
1	Detailed Design of Road Repair for L326 M2 – Clisova – Suhuluceni – Leuseni – Verejeni, total length of 23.72 km	State Road Administration	2016
2	Engineering Design and elaboration of tender documentation for road construction of M3 Chisinau– Cimislia– Vulcanesti– Giurgiulesti– border with Romania (Comrat bypass), including 4 interchange	State Road Administration	2016
3	Road Rehabilitation of L307 Orhei – Susleni – Jora de Sus – Lopatna, Berezlogi – Hijdieni – Lopatna sector (20 km), accesses towards localities: L 307.2 access road to Viscauti village (7 km); L 310 access road to Bulaiesti – Mirzesti village (8 km). Access road to Jora de Jos village (0.8km), total length of 35.8 km	Orhei Council	2016
4	Details execution of Road rehabilitation of R16 Balti–Falesti– Sculeni (design of bridges and utilities), total length of 54.69 km	Simbo-Proiect” SRL	2016
5	Detailed design for fluidization and pedestrian road safety, including construction of the passage on R1 Chisinau– Ungheni–Sculeni road, km 22.35 (cross point railway)	State Road Administration	2015
6	Design services, roads assessment, total length of 13 km, for L307 Orhei – Susleni – Jora de Sus –Lopatna, Orhei-Berezlogi – Hijdieni sector, including access towards localities: L307.1 road access to Bolohani village access road to Pohorniceni, L 308, L 307 Pietra–Jeloboc L 327.L 307 Berezlogi–Hijdieni,	Orhei Council	2015
7	Detailed design „Construction of a road section from „Lafarje” cement plant to L 176 road and reconstruction of L176 road (Soldanesti–Papauti–Tareuca) on Papauti –Tareuca sector	State Road Administration	2015
8	Design services for updating the detailed design, total length of 11.32 km,	State Road	2015

	preparation of tender documentation for roads: M3 Chisinau–Cimislia–Vulcanesti–Giurgiulesti –border with Romania and R1 Chisinau–Ungheni–Sculeni–border with Romania (Bahmut bypass)	Administration	
9	Updating services of design documentation, elaboration of details of execution and of cost estimation for R13 Balti– Soldanesti– Ribnita roads, km 1.45 – km 41.35	State Road Administration	2015
10	Consulting services for technical supervision of road construction R1 Chisinau–Ungheni –Sculeni, km 6– km 24, km 24 – km 68, Ungheni bypass km 96 – km 103	Tecnic Consulting Engineering Romania SRL	2015- on going
11	Supervision of Road Rehabilitation of R33 Hincesti-Lapusna, km 0+00 – km 37+200	Tecnic Consulting Engineering Romania SRL	2015- on going
12	Supervision of Road Rehabilitation of R1 Chisinau– Ungheni –Sculeni, section km 74+177 – km 96+200	Tecnic Consulting Engineering Romania SRL	2015- on going
13	Consulting services for intern checking of details of execution for roads rehabilitation: R1 Chisinau–Ungheni, km 6 – km 24 R1 Chisinau–Ungheni, km 74 – km 96 R33 Hancesti–Lapusna, km 0 – km 37.2	Evrasccon Europe SRL	2014- on going
14	Details of execution and intern checking services for rehabilitation works of road M3 Chisinau – Giurgiulesti, km 151+200 ÷ km 171+290, km179+650 ÷ km 190+750	Pa Co International	2014
15	Details of execution for road rehabilitation of R1 Chisinau–Ungheni– Sculeni, Lot 2, km 24+050 ÷km 68+250	OHL ZS MO	2014
16	Road repair of R20 Rezina – Orhei – Calarasi, km 0 ÷km 8	State Road Administration	2014
17	Road repair of R20 Rezina– Orhei– Calarasi, km 8.35 ÷km 16.8	State Road Administration	2014
18	Details of execution for road rehabilitation of R1 Chisinau– Ungheni–Sculeni, lot 5. Ungheni–Bypass, km 96+200÷km 103+940	OHL ZS MO	2014

19	Design services for road repairing works for L 580 Mihailovca – Sagaidac – Valea Perjei, km 0+00 ÷ km 12.94	State Road Administration	2014
20	Field studies and checking the drawings for „Design services for road repairing works for M3 Chisinau– Cimisia –Vulcanesti– Giurgiulesti–border with Romania, km 0+000 ÷ km 34+350”	Tecnic Consulting Engineering Romania SRL	2014
21	Engineering Design „Road construction of R9.1 R9 – Unguri –border with Ukraine (Nemirov –Brinzeni, bridge over Nistru river –Soroca – Otaci roadway)	State Road Administration	2014
22	Elaboration services for the projects with used land operation and recultivation opened the borrow pits, required to the earthworks for road rehabilitation of R1 Chisinau– Ungheni– Sculeni–border with Romania and M3 Chisinau– Cimisia– Vulcanesti–Giurgiulesti–border with Romania	State Road Administration	2014
23	Design services for road repairing works for L77 Mindic– Zgurita–Cainarii Vechi–Marculesti, access to Bulboci village, including the bridge over Cainari river	State Road Administration	2014
24	Details of execution for road reconstruction/construction: M2 Chisinau-Soroca km 116+000– km 139+200 (II) M2 Chisinau – Soroca, km 139+200– km 154+352 (III) R7 Soroca– Drochia– Costesti, km 3+414 –km 12+780	ICS Strabag	2013
25	Detailed design services (detailed section, bridges and culverts reconstruction, modification to project details, detailed quantities, calculation for construction, site visits, road assessment) for M2 Sarateni – Soroca, km 71 ÷ km 116	ICS Onur Summa JV SRL	2013
26	Design services for reviewing local roads on M2 Slobozia–Cremene–Slobozia Varancau (lot 2 –12.5km), M2 Slobozia – Cremene – Slobozia – Varancau, km 1,5 ÷ km 14,0	BCPC Astral-Proiect SRL	2013
27	Details of execution and verification services for road rehabilitation of Balti–Sarateni, km 10+780 ÷ km 26+600	Pa Co International	2013

28	Design services for road construction works of M3 Chisinau –Giurgiulesti –border with Romania, Porumbrei – Cimislia sector, including Cimislia bypass and elaboration of tender documentation	State Road Administration	2013
29	Detailed Design : Modernization of Dacia boulevard, Gradina Botanica street –viaduct section on R2 road, access to Singera town, total length of 10 km, including: 1 clover-leaf junction 2 half clover-leaf junction 1 trumpet junction.	State Road Administration	2012
30	Detailed design „Roads repair of L643 M3 – Chioselia Mare – Dimitrova, including L643.1 Access road to Frumusica village and L 664 „Access road to Borceag village”	State Road Administration	2012
31	Feasibility study, engineering design, funding request for road infrastructure rehabilitation and modernization towards Monastery Adormirea Maicii Domnului in Calaraseuca village	Ocni a Council	2012
32	Design services for road repairing works of L547, M3 –Razeni village –Cigarleni – Molesti – Buteni – R3 sector, total length of 29.4 km	Ialoveni Council	2012
33	Design services for road repair of Mingir (Hincesti district) – Tomai (Leova district)	State Road Administration	2012
34	Detailed design „Road repair of R18 Floresti– Nicolaevca –Singerei, km 0+00 ÷ km 42+00”	State Road Administration	2012
35	Design services „Pavement repair on R26 Tiraspol–Causeni– Cimislia road, km 46÷km 93”	State Road Administration	2012
36	Detailed design „Bridge repair on M 14 Brest–Chisinau– Tiraspol –Odessa road, km 829+194”	State Road Administration	2012

<u>Russian Federation</u>			
1	Detailed design roadway reconstruction, category 1B, Saryi Oskol – Valuiki, sector: Saryi Oskol – Novyi Oskol, Belgorod regione, total length of 59 km;	Roadway Department, Belgorod city	2013
2	Detailed design Saryi Oskol south-west bypass, category 1B, total length of 12 km, using the method of destructuring the cement concrete pavement	Roadway Department, Belgorod city	2013
3	Detailed design Saryi Oskol – Valuiki roadway, km 23+000, trumpet intersection	Roadway Department, Belgorod city	2011
4	Detailed design Saryi Oskol – Valuiki roadway, km 29+000, trumpet intersection	Roadway Department, Belgorod city	2011
5	Detailed design Korocea –Gubkin –Gorshechnoe roadway, interchange at km 71+000	Roadway Department, Belgorod city	2010
