

No	Project Title	Beneficiary	Year
1	Detailed Engineering Design for rehabilitation of the road M5 border to Ukraine– Criva – Balti – Chisinau – Tiraspol – to the Ukrainian border, km 0 – km 133, Lot I, Lot II, Lot III	State Road Administration	2022
2	Completion with the Technical Specification and of Bill of Quantities for rehabilitation of the road M1 border to Romania – Leuseni – Chisinau – Dubasari – to the Ukrainian border, km 86,28 – km 94,48	State Road Administration	2022
3	Updating services of Detailed Engineering Design for rehabilitation of the road: R33 Hancesti – Lapusna – M1 , km 0,00 – km 37,200	State Road Administration	2022
4	Detailed Engineering Design for construction works for bypass of Cimislia town	State Road Administration	2022
5	Detailed Engineering Design for rehabilitation of the road M5 border to Ukraine– Criva – Balti – Chisinau – Tiraspol – to the Ukrainian border, Lot IV: km 103,75 –km 133,00	State Road Administration	2022
6	Construction works for access road to Bridge over the Nistru river, near Cosauti village	State Road Administration	2022
7	Rehabilitation works on R36 Basarabeasca – Ceadir-Lunga – R29 road, km 14,00 – km 20,31	State Road Administration	2021
8	Updating services of Engineering Design for road rehabilitation of M1 border to Romania – Leuseni – Chisinau – Dubasari – to the Ukrainian border, km 86,28 – km 94,48 (modified according to Government Decision no. 1468 of 30.12.2016 from road M1 border to Romania – Leuseni – Chisinau – Dubasari – to the Ukrainian border, km 5,40 – km 13,6) on section: km 90,60 – km 91,33	State Road Administration	2021
9	Rehabilitation works for pavement repair on road R7 R14 – Drochia – Costesti – Romania border km 0,00–km 29,00)	State Road Administration	2020
10	Rehabilitation works on G27 R7 – Chetrosu – Moara de Piatra – Cubolta – R13 road, km 0,0 – km 31,15	State Road Administration	2020
11	Rehabilitation works for pavement repair on road R29 Comrat – Ceadir-Lunga – to the Ukrainian border, km 0,0 – km 42,27	State Road Administration	2020
12	Details execution updating for road rehabilitation of M1 border to Romania – Leuseni – Chisinau – Dubasari– to the Ukrainian border, km 93,65– km 94,45	State Road Administration	2020-2021
13	Updating services of volumes of works for Engineering Design, section km 41,600– km 44,35 for the road M3 Chisinau – Cimislia –Vulcanesti– Giurgiulesti – border to Romania, km 0,00 – km 34,35 (modified according to the Government Decision: M3 Chisinau – Comrat – Giurgiulesti – border to Romania road, km 10,00 – km 44,35)	State Road Administration	2020
14	Rehabilitation works for pavement repair on R7 R14 – Drochia – Costesti – border to Romania road, km 29,00 – km 59,50	State Road Administration	2020

15	Rehabilitation works on R34 Hancesti – Leova – Cahul – Giurgiulesti road, km 82,00 – km 125,00	State Road Administration	2020
16	Rehabilitation works on G27 R7 – Chetrosu– Moara de Piatra – Cubolta – R13 road, km 0,0 – km 31,15	State Road Administration	2020
17	Rehabilitation works for pavement repair on road R29 Comrat – Ceadir-Lunga – to the Ukrainian border, km 0,0 – km 42,27	State Road Administration	2020
18	Details execution updating for road rehabilitation of M1 border to Romania – Leuseni – Chisinau –Dubasari – to the Ukrainian border, km 93,65 – km 94,45	State Road Administration	2020
19	Updating services of design documentation (volumes of works), section km 41,600 – km 44,35 from Engineering Design Project: Rehabilitation works on M3 Chisinau – Cimislia – Vulcanesti – Giurgiulesti – border to Romania road, km 0,00 – km 34,35 (modified according to the Government Decision: M3 Chisinau – Comrat –Giurgiulesti – border to Romania road, km 10,00 – km 44,35)	State Road Administration	2020
20	Rehabilitation works for pavement repair on road R7 R14 – Drochia – Costesti – border to Romania, km 29,00 – km 59,50	State Road Administration	2020
21	Rehabilitation works for pavement repair on R7 R14 – Drochia – Costesti – border to Romania road, km 0,00 – km 29,00	State Road Administration	2020
22	Detailed Engineering Design and the pit to borrow on road: M3 Chisinau – Comrat – Giurgiulesti – border to Romania (Vulcanesti bypass), km 0,00– km 8,58	State Road Administration	2020
23	Engineering design services for renovation of the bridges located on road M5 border to Ukraine– Criva – Balti – Chisinau – Tiraspol – to the Ukrainian border, km 24+935, km 38+340	State Road Administration	2020
24	Rehabilitation works on G109 Delacau – Bulboaca – R2 road, km 0,00 – km 8,00	State Road Administration	2019
25	Updating services of Design documentation for Rehabilitation works on R26 Bender – Causeni – Cimislia road, km 23,70 – km 46,55	State Road Administration	2019
26	Engineering design services for renovation of the bridge located on the roads: <ul style="list-style-type: none"> •M1 border to Romania – Leuseni – Chisinau – Dubasari – to the Ukrainian border, km 108+970; •G54 R16 – Rautel – Pompa – Glinjeni – Catranic – R16, km 0+440; •G102 R34 – Cneazevca – Saratica Veche –Troian – R34, km 18+450 	State Road Administration	2019
27	Detailed Engineering Design for rehabilitation works on road M1 border to Romania – Leuseni – Chisinau – Dubasari – to the Ukrainian border, km 86,28 – km 94,48 (M1 Chisinau – Leuseni – border to Romania road, km 5,4 – km 13,6)	State Road Administration	2019

28	Updating services of design documentation and Detailed Engineering Design for rehabilitation works on R34 Hancesti – Leova – Cahul – Giurgiulesti road (modified according to the Government Decision 1468 / 30.12.2016).	State Road Administration	2018
29	Technical expertise of the bridge on the road M5 Border to Ukraine– Criva – Balti – Chisinau – Tiraspol – Technical expertise of Bridge Structure located on the road R29 Comrat – Ceadir-Lunga – to the Ukrainian border (km 320,600)	State Road Administration	2018
30	Technical expertise of Bridge Structures located on the road R29 Comrat – Ceadir-Lunga – to the Ukrainian border, km 0,00 – km 35,684	State Road Administration	2017
31	Updating services of design documentation on M21 Chisinau – Dubasari – Poltava (Ukraine) road, km 5,400 – km 6,400, to the compartments: piping systems for water supply, gas supply, communication channel	State Road Administration	2017
32	Updating services of Feasibility study on M3 Chisinau– Comrat– Giurgiulesti – border to Romania road (section: bypass of Cimislia town)	State Road Administration	2017
33	Updating services and Detailed Engineering Design for rehabilitation works on M3 Chisinau – Cimislia – Vulcanesti– Giurgiulesti– border to Romania road, km 151,20 – km 171,29, km 179,65– km 190,75	State Road Administration	2017
34	Updating services of Feasibility study, elaboration of Technical Specs and of Bill of Quantities for rehabilitation works on road M5 Border to Ukraine–Criva – Balti –Chisinau –Tiraspol – to the Ukrainian border, km 0 – km 133	State Road Administration	2017
35	Engineering Design for rehabilitation works on R26 Tiraspol – Causeni – Cimislia, km 93,300 – km 98,900 road and M3 Chisinau – Cimislia – Vulcanesti – Giurgiulesti – border to Romania road, km 53,280 – km 61,841	State Road Administration	2017
